Your comments:	<ul style="list-style-type: none"> • Competent working the plate. • Good voice and stance • When working the dish and there is a runner on 1st base, you need to take the call at third as you are closer than your partner who is beyond the 2nd baseman. • On all hits come out to the left from behind home plate to watch the batter/runner, other runners and possible obstruction/interference calls. • When giving the count hold up the left hand and show the number of balls, then your right hand with the number of strikes.
Suggestions for improvement:	<ul style="list-style-type: none"> • Start using the above comments • Work more games • On bases don't put your hands behind your back when pitches are delivered – it looks like you are less interested in the game when a coach looks at you. • Should have a pair of navy blue pants as they are the official colour for umpires. • O.K. at U12, needs to work on items above and get a little more serious about officiating.
