Game: U10, U12, U14, U16, U19, Ladies or Men	U16 round robin game working bases.
Your comments:	<ul style="list-style-type: none"> • First call on base with runner stealing was hurried. • Discussed after the inning, following which Jacob was required to make several calls on steals each of which was delayed correctly ensuring that no call reversal was required. • Also had a tough call at 1st with the first baseman pulling her foot before receiving the ball. Jacob made the right call, then had to explain it to an annoyed coach, who accepted the explanation and dropped his pleading. • Strong work throughout the game.
Suggestions for improvement:	<ul style="list-style-type: none"> • Needs to get more opportunities at the U14/U16 level. • Might want to consider how far behind short and 2nd that he sets up. About six feet would be appropriate when the fielder is outside the baselines.

Your comments:	<ul style="list-style-type: none"> • Good slot position and voice • Goes into set position too soon. Wait until pitcher breaks their hands after the pause to go down. • Moving too soon on pitches. Wait until the pitcher has the ball before coming out of set position.

	<ul style="list-style-type: none">• Back bent a little too far forward, get a little straighter
Suggestions for improvement:	<ul style="list-style-type: none">• Work on the above items.• See the picture of the hammer position for strikes (current manual page 42)• Needs to work U12 plates to gain experience.• Possibly U14 bases once U12 plates are being done satisfactorily.
