Your comments:	<ul style="list-style-type: none"> • Initially too far behind catcher, corrected during event. • Voice, timing, signals are crisp. • Need to get ear on corner of plate, don’t follow the catcher.
Suggestions for improvement:	<ul style="list-style-type: none"> • No play at a base, then no call necessary • No need to say strike on swinging strike, just indicate with the hammer. On checked swing use “Swing”, so the batter knows. • More games will enhance ability • Good performance at U16 level
