Your comments:	<ul style="list-style-type: none"> • Worked her first ever game at the tournament and did very well. • The additional games during the day increased her knowledge • Initially had to adjust heel and toe position as well as bend down more for the U10's • Ear was well placed on the corner of the plate to give a good look at the strike zone. • Needs to wear chest protector under the shirt. •
Suggestions for improvement:	<ul style="list-style-type: none"> • Just needs to do more games to gain further experience from the umpire perspective. • Remember to come out left of the catcher on hit balls and move down the first base line to get a better look. Remember not to go down the line with a runner on third, just move down the line in foul territory. • Get some work on base umpire position. • Get a little louder
