| Your comments: | <ul style="list-style-type: none"> • Worked his first ever softball game at the tournament and did very well for an 11 year old. • The additional games during the day increased his knowledge • Needs to wear chest protector under the shirt. • Signal strikes with the arm as well as verbal call • Get LOUDER • Get closer to the catcher - no more than a foot behind them to get the best view of pitches. |
| Suggestions for improvement: | <ul style="list-style-type: none"> • Just needs to do more games to gain further experience from the umpire perspective. • Remember to come out left of the catcher on hit balls and move down the first base line to get a better look. Remember not to go down the line with a runner on third, just move down the line in foul territory. • Get some work on base umpire position. |
