Evaluator	Brad
Game: U10, U12, U14, U16, U19, Ladies or Men	U14D – 2 plate, 1 bases
Your comments:	<ul style="list-style-type: none"> • Nice heel/instep stance • Good strike zone • Good judgement on out/safe calls on bases • Fly balls – PU has all calls on the catch/no catch; BU gets inside and watches baserunners • Good job adjusting plate stance, and staying put better in second game – much less flinching
Suggestions for improvement:	<ul style="list-style-type: none"> • Balls signalled on LH • Mask off on plays at plate or hit balls • Stay in set position a little longer on each pitch to help keep strike zone consistent • Bend at knees to help bring eyes down to set top of strike zone • On bases, always hustling into position – should not be walking • Overthrows at 1B, umpires need to be aware of whether the ball goes out of play and call Dead Ball and award bases if it does

Game: U10, U12, U14, U16, U19, Ladies or Men	Combo U10, U12 game @ Westpark
Your comments:	<ul style="list-style-type: none"> • First game for her (14 yrs old) • Seemed to have forgotten much of what we went through at the clinic, setting up on the outside of the catcher instead of in the slot.

	<ul style="list-style-type: none">• Tends to shy away from the ball and calls and moves too soon.• Convinced her of that when she got hit on the upper leg bailing on a pitch. Thinks she then understood that if she stays down she would not get hit there.
Suggestions for improvement:	<ul style="list-style-type: none">• Told her to practice in front of a major league game and imitate the umpire, staying down to see the pitch, then calling the pitch, rising and signalling strikes.
